

BASS CLUB OF FORT WORTH (BCFW) 2023 FISHING RULES

1. All state and federal laws will be in effect.
2. Any infraction of the rules will result in disciplinary action by the Executive Board, up to and including disqualification. In the case of a team effort, the whole team will be subject to the same action.
3. All members shall conduct themselves in a civil and sportsmanlike manner at all times or face disqualification and/or disciplinary action taken by the Executive Board. This includes drunk and disorderly conduct.
4. All protests must be made, in writing, to the Tournament Director within thirty (30) minutes after weigh-in time and a ruling shall be made by the Tournament Director, and a minimum of two (2) board members present.
5. Non-prepaid contestants are required to notify the Tournament Director via text, prior to the official tournament start time, in order to weigh fish caught in the tournament. No text is necessary if entry fee is paid at the meeting immediately preceding the tournament. Anyone prepaying and not able to fish may have their entry fee refunded or carried forward to the next tournament only if they contact the Tournament Director by phone or text before 8:00pm on the day before the tournament. They may also rollover their entry fee to the next tournament or just leave it in and have it count toward Classic qualification and/or points.
6. Trailering is allowed if entry fee has been prepaid or after notifying the Tournament Director via text.
7. All contestants must check in with the Tournament Director or Assistant Tournament Director by the deadline in order to weigh fish caught in the tournament. Fish must not be brought to weigh in line until the contestant has acquired a weigh in token or other designated device.
8. All tournament participants must be present at weight-in, make arrangements for the Tournament Director to be notified that they are leaving, or they must notify the Tournament Director via text.
9. A member or guest of BCFW may not weigh in fish caught by someone else with the intention of taking credit for such weight.
10. Only members in good standing of the BCFW and their guests will be eligible for tournaments. Guests may fish one (1) tournament per calendar year without having to join the club. Each guest must pay the tournament entry fee and is required to fish with a member of the BCFW. Points earned by a guest for participation in tournament and club meeting attendance will count toward the yearly total if the guest joins the club on or before the next tournament date.
11. Any contestant retaining fish at the beginning of the tournament will be subject to disqualification from the tournament and/or disciplinary action by the Executive Board.
12. Wading and tube fishing will be allowed. Club members may fish from the bank of the tournament lake as long as they do not trespass on any private property.
13. All tournaments will be for Smallmouth, Kentucky (Spotted) and Black Bass only.
14. Only artificial lures may be used. No live bait will be permitted. No trolling. Only one (1) rod may be used at any one (1) time. Other rigged rods may be in the boat for substitute purposes.
15. All fish presented for weighing must meet state measuring requirements in effect at the time of the tournament. Unless it conflicts with state regulations smallmouth bass must be a minimum of fourteen (14) inches on all lakes. Except on special regulation lakes, largemouth and spotted bass must be fourteen (14) inch minimum length. On slot limit lakes, largemouth and spotted bass must be ten (10) inches minimum length. When the special regulation exceeds fourteen (14) inches, spotted bass must be a minimum of fourteen (14) inches. All fish shall be measured on the BCFW straight board with mouth closed and tail pinched. When measuring for minimum length, if the fish touches any point on the line, it is acceptable. When measuring for maximum length on the low side of a slot, if the fish touches any point on the line, it is not acceptable. The ruling of the tournament director or assistant is final on issues of length. For each fish brought in that is one-eighth (1/8) inch or more below minimum length, a one (1) pound penalty shall be deducted from the stringer weight and that fish will not be weighed. On slot limit lakes, any fish that is one-eighth (1/8) inch or more in the slot, a one (1) pound penalty shall be deducted from the stringer weight and that fish will not be weighed. Penalties cannot take stringer weight below zero (0) pounds.
16. There will be a three (3) fish limit, unless lake rules demand less. Each contestant must bring only three (3) fish to weigh in. Fish shall be in weigh-in bags or containers with sufficient water to keep fish in good condition until they are released. Failure to do so shall result in a one (1) pound penalty from total weight.

17. There will be no fishing within one-hundred (100) feet of an anchored or tied boat of another club member, unless approved by the anchored or tied party.
18. All ties will be determined by the largest fish of the stringer. Any further ties will be determined by the flip of a coin.
19. In the case there are no fish caught, or not enough fish caught to fill the tournament places, there will be a drawing at the next meeting to fill the necessary places. All drawn winners will receive participation points only.
