Prez Says

The last club tournament was at Lake Tawakoni. Watch out for the stumps and Mr. Chris McLain for his impressive first place stringer of 13.51 pounds and a 6.16 pound kicker! Second place stringer of 12.74 pounds went to Mr. Dalton Pratt and third place stringer of 9.45 pounds went to Mr. Les Kennedy. Pratt got the first place big bass with a goliath 8.30 pound beauty, while McLain's kicker was good enough for second place big bass, and Kennedy rounded out the top three with a 4.87 pounder. Congratulations to all that caught fish and Great Job to all!

Thanks again to Hershul Smith for Chairing the St. Jude's Committee. Also serving on the committee are Jim Phillips, Mark Wendler, and Carl Koch. These people need our help in putting on an even better tournament than last year. Currently they need to know if you want to fish or work the tournament . . . come help out with this great cause!

Happy Birthday to all club Members with August Birthdays.

Next tournament will be on Lake Bridgeport and the launch is Wise County Park. Good Luck to everyone!

Remember...life jackets and kill switches save lives,

Jeff Granger President, Bass Club of Fort Worth

After Dark on Eagle Mountain

Congratulations to Ms. Tracy Wendler on her 2.44 pound largemouth that propelled her to victory in the BCFW Annual Night Tournament held on Eagle Mountain Lake. According to Vice President and Tournament Director Jim Phillips there were 27 people who fished the event and only a total of three people caught fish. Well done to Mr. Jim Justus and Mr. Carl Koch for the second and third place finish respectively.

McLain Tackles Tawakoni for First Win

The bite was slow for some anglers on Lake Tawakoni as the dog days of summer continue to carry on, but not for much longer. Most of the tough bite could have contributed to hot conditions, rainfall, and clouds; however Chris McLain was able to find them. Just check the evidence on the results page. The key bites came on a four and half inch Texas rigged Grande Bass Rattlesnake fished around and through terrestrial vegetation. "I knew the fish were there", says McLain. "After mid-day without a bite, I knew I just needed to sit down, rehydrate and re-focus." Most of McLain's sack was caught not too far away from the launch site and, after culling a 5 pounder, he ended up with his very first victory in his very first year with the club. Well done Chris and welcome to the club.

August Events:

August 14th – Club Tournament –Lake Bridgeport
 – 5:00am to 2:30pm – Wise County Park.

➤ Lake Bridgeport TIPS!!!!!!!

Bridgeport's water level is known to fluctuate quite a bit, however, as of July 27, 2010, it appears that the lake is just about even and releasing 0 cfs at this time. Aquatic vegetation includes: floating pondweed, chara, hydrilla and water willow. Flipping and pitching can be productive, but be patient as these few areas of vegetation get pressured. Try flipping a Roger Malone jig, while holding your mouth right to get that big bass in the boat. Additionally, "try to fish the main lake, on deep rock piles and ledges, with downsized baits," says Mark Wendler. "I.e.; gravel to chunk rock, boulders to gravel, etc.... Sometimes the Smallmouth will cruise these transition areas, first thing in the morning, looking for active Crawfish. But, whether you choose offshore, or onshore, Tubes & Finesse Jigs will rule the day."

Based on the July 25 Media Results at Lake Bridgeport some of our club members were one big fish away from a top ten finish and cashing checks. Based on those weather conditions, the second week of August shouldn't be much different. Club fisherman should expect air temperatures to be 78-100, water temperatures around 90 degrees and clear and fishing to be slow. The average fish weighed in was 0.74lbs with a 5-fish limit of a whopping 5.50lbs!!!!! Good luck anglers! Stay committed to your plan, but flexible in your approach. Fish hard, Fish smart.

Wise County Park

- Located at the north end of the lake, just west of FM2952
- Three 2-lane ramps with plenty of parking
- No fee for boat launch or day use
- · Fees are charged for camping and other park services
- · Open all year
- Operated by Wise County (940) 644-1910

Tim Johnson, our Tournament Director, would like to remind everyone:

- Running lights must be on until dawn. This violation is grounds for disqualification and a State law.
- Stay out of: NO BOAT AREAS; 1st time Warning; 2nd time disqualification.
- You must be at least 50 from swim areas and cannot tie up to buoys.
- Please observe NO WAKE AREAS.
- Also, it helps to pay for the tournament well before weigh-in. At the meeting is ideal, but before the weigh-in starts cuts down on the mayhem during.
- If you pre-pay for a tournament at the meeting and find you cannot make the tournament, contact any club officer before 8:00 PM the Friday before fishing to carry over fees to the next tournament.
- If you leave the tournament early, either sign out at the mailbox or let someone know you are leaving.
- Weigh-in is at 3:30 PM unless changed. Make sure the tournament director or assistant knows you are on time, especially if there is a line to weigh fish.
- Rule #16: There is a 3 fish limit, unless lake rules demand less. Each contestant must bring no more than 3 fish to weigh-in. Fish shall be in weigh-in bags or containers with sufficient water to keep the fish in good condition until they are released. Failure to do so shall result in a 1 pound penalty.
