Prez Says

The May BCFW event was held at Eagle Mountain Lake and based on the conditions it appears that the full moon and favorable water conditions still had fish up shallow. Since Largemouth are not monogamous, those straggler males appeared to be courting the last of the ripe females up shallow to finish the spawn. Dan Davenport crushed 17.74 pounds and walloped the field of 58 anglers to take first place and big bass of the tournament. Mark Wendler continues his consistent streak with 12.36 pounds to finish second, while Tim Johnson's 11.19 pound sack finished him in the top three. Off course Dan Davenport's heavy kicker fish took first in the big bass category, while Travis Stinnet's 6.29 pound fish took second place and Mark Wendler rounded out the top three in the big bass category with a 6.18 pound kicker. Good job dudes.

Happy Birthday to all club Members with May Birthdays.

The next tournament will be on June 11th at Grapevine Lake with weigh in being at Dove Loop. Remember there is a launch fee of \$10 dollars and they do seem to check for violators, just ask Jeff Granger!

Remember...life jackets and kill switches save lives,

Jeff Granger

President, Bass Club of Fort Worth

Meeting notes

❖ A FRIENDLY REMINDER FROM TOURNAMENT DIRECTOR HERSHUL SMITH:

You must sign in at the BCFW mailbox if you have NOT paid your entry fee at the meeting prior to the tournament you are fishing. Please note that failure to do so may result in a penalty.

- ❖ The next club meeting will be Thursday, June 2, 2011, 7:00 pm, at Coors Distribution Center Hospitality Room. The beer is free from what I heard. Thanks to Coors!!! Tip your bartenders!
- ❖ St. Jude Tournament: This year the BCFW will be hosting the 3rd Annual St. Jude Tournament on Nov. 12 on Lake Lewisville pending club vote and approval to move our normally scheduled club tournament. I know it will be another great event.

BCFW Tournament Trail

June 11, 2011, on Grapevine Lake

Weigh in: Dove Loop

You can weigh: Slot Lake

Club minimum on Smallmouth, Spotted or Guadalupe bass

Please note this is just a guideline. Please check with <u>statewide regulations</u>. The <u>exception</u> is a 14- to 18-inch slot limit on largemouth bass. Bass 14 inches and less in length, or 18 inches or more, may be retained. Daily bag limit for all species of black bass is 5 in any combination.

Hershul Smith is our new Tournament Director:

- There will be no more bags for weigh in. It will now be conducted with the cork system. There will only be 15 available and you must have one to weigh in.
- Stay out of: NO BOAT AREAS; 1st time Warning; 2nd time disqualification.
- Running lights must be on until dawn. This violation is grounds for disqualification and a State law.
- Stay out of: NO BOAT AREAS; 1st time Warning; 2nd time disqualification.
- You must be at least 50 from swim areas and cannot tie up to buoys.
- Please observe NO WAKE AREAS.
- Also, it helps to pay for the tournament well before weigh-in. At the meeting is ideal, but before the weigh-in starts cuts down on the mayhem during.
- If you pre-pay for a tournament at the meeting and find you cannot make the tournament, contact any club officer before 8:00 PM the Friday before fishing to carry over fees to the next tournament.
- If you leave the tournament early, either sign out at the mailbox or let someone know you are leaving.
- Weigh-in is at 3:30 PM unless changed. Make sure the tournament director or assistant knows you are on time, especially if there is a line to weigh fish.
- Rule #16: There is a 3 fish limit, unless lake rules demand less. Each contestant must bring no more than 3 fish to weigh-in. Fish shall be in weigh-in bags or containers with sufficient water to keep the fish in good condition until they are released. Failure to do so shall result in a 1 pound penalty.

Safety Tips

Since the warm temps are here to stay, here are a couple of friendly reminders to make your summer fishing more enjoyable while staying healthy:

- -Drink lots of water. Caffeinated can cause an effect on kidneys and may be linked to increased dehydration. STAY hydrated. The old school days of, "I'm too manly to stop fishing and sit down and eat a sandwich or drink water" is bunk. We have seen several anglers in the club suffer from serious dehydration. Rule of thumb is a gallon of water per day. Try and you will feel mentally tougher than the next competitor, I promise.
- -Protect your skin. There are many Texas anglers that are now battling skin cancer. Elite Series Kelly Jordon is one of them. Wear 100+ SPF sunscreen and cover up with long sleeve shirts that are designed to wick sweat and have UV protecting properties. Don't forget the back of your hands and neck. You can also choose to wear a wide brim hat or buff (a UPF cold cloth that can be worn around the neck).

These two items alone will help you become a better angler or at least feeling better after a hot day on the lake.
