March 2012

Prez Says

It seems that ALL my predictions for Eagle Mountain were TRUE. The lake was in great shape, the big fish were active, and the damn Dam didn't have any fish on it! (At least not for my partner & I) The only prediction I didn't make was for rain & lightning, of which there was plenty.

We had a great turnout for March's tournament both in numbers of Anglers & Big Fish. In fact, there were 62 Anglers who fished, 6 Bass weighed-in over 6lbs, 14 Limits, and an average weight per fish of 3.03lbs! One person who definitely helped push that average up was Garrick McPherson. He weighed in a monster limit of 18.20lbs that placed him at the #1 spot for the tournament and in the lead for Men's Heavy Stringer of the Year. His sack was anchored by a Big Bass of 8.35lbs that not only placed 1st for the tournament, but it also took the lead for the Men's Big Bass of the Year. (Darn it!) Roger Malone was right on Garrick's heal with 14.25lbs of healthy "Eagle Mountain Green Backs" that placed him squarely in 2nd place for the day and 3rd place in the overall standings. Rounding out the Top 3 was James Davenport. He weighed in 11.54lbs that just slightly edged out Danny Pounds, who weighed 11.50lbs, capturing a 3rd place win. Other honorable mentions go out to Keith Prazak who captured the 2nd place big bass spot with a 7.36lb hog. Indecently, Keith and Mike Woods were the only anglers who chose to totally disregard my advice on fishing long strips of Rip Rap on the south end of the lake. All day long they seemed intent, and were successful, on proving to my partner that she was truly fishing from the wrong boat. In fact, Keith was even seen culling right behind us! (That act in itself drew me a long scowling look from the back of the boat.) And lastly, Jeff Granger seems to have found his stride again this year. He brought a 6.96lb'r to the scale to place 3rd in the Big Bass category. His total stringer helped him move into 2nd place, in the overall standings, just 5 points behind the leader Gary Ables.

On a side note, Carey Johnson brought in her first 3 fish limit to the scales. With a sack weighing a total of 7.47lbs, she took top honors for the Ladies that day. She also captured the lead for Women's Big Bass of the Year and Women's Heavy Stringer of the Year. Rumor is though, that not only does her partner have a sore arm from netting all day, his ears might be a little tender for a while as well. Seems he might have recently discouraged her from getting into the "Ladies Six Pound Stringer" side pot. Sounds like a Horses Patoot nomination in the making! Just Saying....

Also, ramp-side rumors have it that Tracy Wendler was heard at the weigh-in soliciting for a **new partner!** The only qualifications being noted at that time were that the applicants should be able to...

- Consistently put her on the fish (don't hog the fish)
- Quickly net her fish (without knocking them off)
- Care for her fish (no freezing allowed)
- Expertly drive her pristine Champion (without spilling her coffee)

She was even overheard saying that if she could find the right partner, she would supply coffee, AND have her husband fuel & pack the boat. If you fit these qualifications, and can (as she says) "hook a girl up", see Tracy at the next meeting.

Our next tournament is being held at Cedar Creek on April 14th. The lake benefited from recent rains and has just achieved full pool, so it should be in good shape. And, after last month's personal disaster, I'm going to refrain from making any predictions for this one!! Let's just all be safe and hope for the best in weather conditions!

BCFW Tournament Trail

April 14, 2012, on Cedar Creek Resercoir Weigh in: Caney City Public Ramp

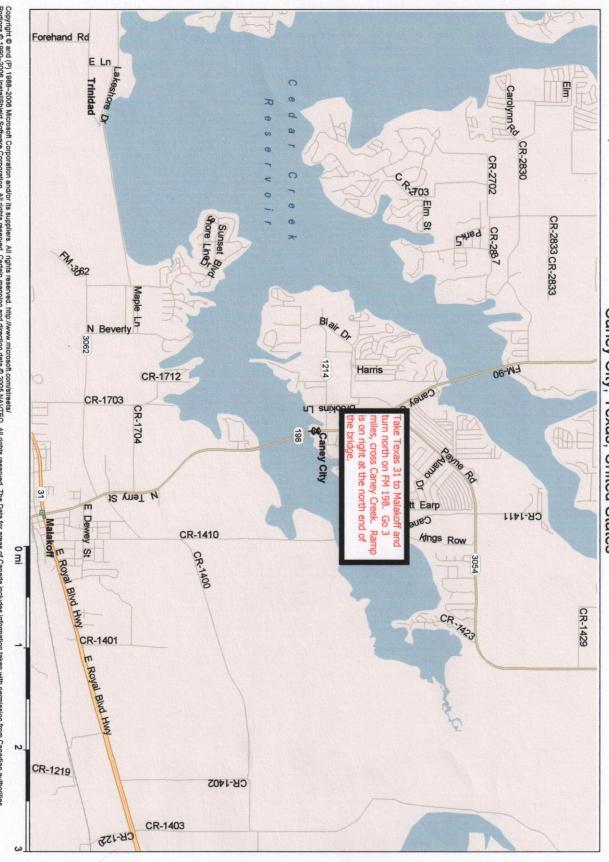

Statewide Regulations Apply

Remember your fish must be 14 inch or larger.

Hershul Smith is our Tournament Director:

- There will be no more bags for weigh in. It will now be conducted with the cork system. There will only be 15 available and you must have one to weigh in.
- Stay out of: NO BOAT AREAS; 1st time Warning; 2nd time disqualification.
- Running lights must be on until dawn. This violation is grounds for disqualification and a State law.
- Stay out of: NO BOAT AREAS; 1st time Warning; 2nd time disqualification.
- You must be at least 50 from swim areas and cannot tie up to buoys.
- Please observe NO WAKE AREAS.
- Also, it helps to pay for the tournament well before weigh-in. At the meeting is ideal, but before the weigh-in starts cuts down on the mayhem during.
- If you pre-pay for a tournament at the meeting and find you cannot make the tournament, contact any club officer before 8:00 PM the Friday before fishing to carry over fees to the next tournament.
- If you leave the tournament early, either sign out at the mailbox or let someone know you are leaving.
- Weigh-in is at 3:30 PM unless changed. Make sure the tournament director or assistant knows you are on time, especially if there is a line to weigh fish.
- Rule #16: There is a 3 fish limit, unless lake rules demand less. Each contestant must bring no more than 3 fish to weigh-in. Fish shall be in weigh-in bags or containers with sufficient water to keep the fish in good condition until they are released. Failure to do so shall result in a 1 pound penalty.
