July 2012

Prez Says

July's tournament on Possum Kingdom turned out very similar to June's tournament on T-Wok... Slim Pickens!! Historically speaking, PK usually fishes difficult for most, but normally a few anglers will find the fish and hit the jackpot. That was not the case this July after 53 anglers fished and only 12 of them caught. In fact there were only 14 fish weighed in total! I guess with numbers like that, we can safely assume that our championship will not be held on PK this year! Lol

Congratulations to Johnny Reyes for the Big Win with a 7.52lb sack that was anchored by the tournaments 1st place Big Bass of 5.54lb's. Randy Williams continued his points run by securing a 2nd place finish. He came in with the tournaments only other 2 fish stringer. His total weight of 5.94lb's also held the 2nd place Big Bass that weighed 2.98lb's. Roger Malone came to the scales with the 3rd place Big Bass of 2.73lb's which also happened to be the 3rd place Heavy Stringer. Of other honorable mention was Cary Johnson who led the lady anglers for the day with a 7th place finish.

Now, with the above being laid out, I have a question for the clubs history buffs... When was the last time that the Heavy Stringer results matched the Big Bass results exactly?? I would have never thought it would be possible, but it happened!!

The August tournament is set to take place on my favorite lake, Bridgeport. Tournament hours are from 6am till 2:30pm. As always this time of year, be prepared to deal with the Heat!! Make plans to bring extra water for yourself and extra ice for your fish. Also, start hydrating the day before. Remember... **Be Safe & Courteous.**

Tracy is looking for her Dinner Room table, Mark. Have you seen it?

Carl was looking through some of his magazines when he saw an Ad on unbreakable fishing line. He then wrote a letter to the mail order house, saying the following: “Please send me one of those new unbreakable fishing lines for my rod and reel that was shown on page 438 and if it’s any good, I’ll send you a check.”

In a short time, Carl received the following reply: “Please send check. If it is any good, we’ll send the line.”

BCFW Tournament Trail

Aug 11, 2012, on Bridgeport Lake

Weigh in: Wise County Park

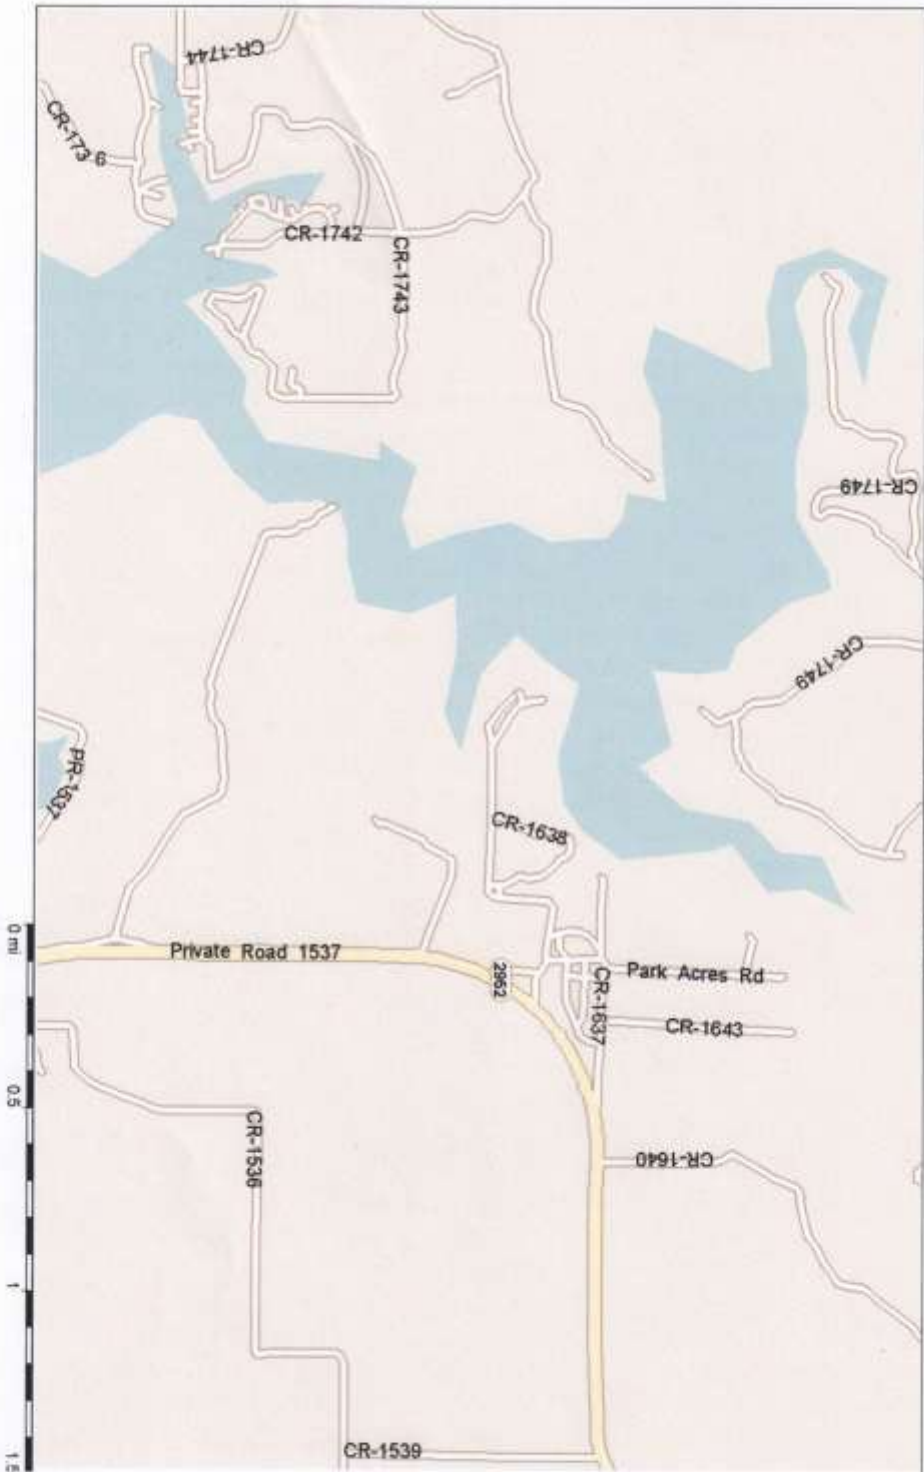

Statewide Regulations Apply

Remember your fish must be 14 inch or over 18 inch.

Hershull Smith is our Tournament Director:

- There will be no more bags for weigh in. It will now be conducted with the cork system. There will only be 15 available and you must have one to weigh in.
- Stay out of: NO BOAT AREAS; 1st time Warning; 2nd time disqualification. Running lights must be on until dawn. This violation is grounds for disqualification and a State law.
- You must be at least 50 ft from swim areas and cannot tie up to buoys.
- Please observe NO WAKE AREAS.
- Also, it helps to pay for the tournament well before weigh-in. At the meeting is ideal, but before the weigh-in starts cuts down on the mayhem during.
- If you pre-pay for a tournament at the meeting and find you cannot make the tournament, contact any club officer before 8:00 PM the Friday before fishing to carry over fees to the next tournament.
- If you leave the tournament early, either sign out at the mailbox or let someone know you are leaving.
- Weigh-in is at 3:30 PM unless changed. Make sure the tournament director or assistant knows you are on time, especially if there is a line to weigh fish.
- Rule #16: There is a 3 fish limit, unless lake rules demand less. Each contestant must bring no more than 3 fish to weigh-in. Fish shall be in weigh-in bags or containers with sufficient water to keep the fish in good condition until they are released. Failure to do so shall result in a 1 pound penalty.
