**June 2013**

## *Prez Says*

Hot, Hot, Hot... And no, I'm not describing myself in a Speedos bathing suit. (*Some will be scarred for life with that mental image. Lol*) The heat was on full blast for our June tournament on Lake Tawokoni. It was even worse for those of us who chose to do the "Congo Line" dance at the Dam area. What little wind there was went directly overhead. But, all whining aside, even the extreme heat did not deter most from bringing some nice stringers to the scales. It seems that Lake Tawokoni always delivers in the summer. Leading the charge was Aaron McAlexander with a limit weighing in at 14.59lbs. His 1<sup>st</sup> Place Heavy Stringer helps to keep him in the lead in the AOY standings. Mike Wood was close behind, with a sack weighing 13.15lbs, capturing 2<sup>nd</sup> Place Heavy Stringer. He also had the tournaments 3<sup>rd</sup> Place Big Bass of 6.53lbs. Cashing his first check of the year was Monty Roberts. His 3<sup>rd</sup> Place Heavy Stringer of 12.6lbs contained the 1<sup>st</sup> Place Big Bass of 7.97lbs. And, last but not least, representing the Lady Anglers was Pam Thompson with a 7.60lb bruiser that netted her a 2<sup>nd</sup> Place Big Bass finish.

Our July tournament is scheduled for Eagle Mountain. Remember to bring lots of water for yourself & ice for your fish. (*I'll be icing down my partner's fish all day long...*) Also, with high temps predicted, please follow the guidelines for weigh-in. Ensure that you have secured a bobber BEFORE you retrieve your fish from the livewell.

Mark Wendler

President, Bass Club of Fort Worth

## *Meeting notes*

### A FRIENDLY REMINDER FROM TOURNAMENT DIRECTOR HERSHUL SMITH:

You must sign in at the BCFW mailbox if you have NOT paid your entry fee at the meeting prior to the tournament you are fishing. Please note that failure to do so may result in a penalty and loss of weight.

The next club meeting will be Tuesday, July 2, 2013, 7:00 pm, at Coors Distribution Center Hospitality Room.

If you would like your information in the newsletter. Please [email charles\\_duewall@sbcglobal.net](mailto:charles_duewall@sbcglobal.net)

## *BCFW Tournament Trail*

July 13, 2013, on Eagle Mountain

Weigh in: Twin Point

Statewide Regulations Apply

Remember your fish must larger than 14 inch.

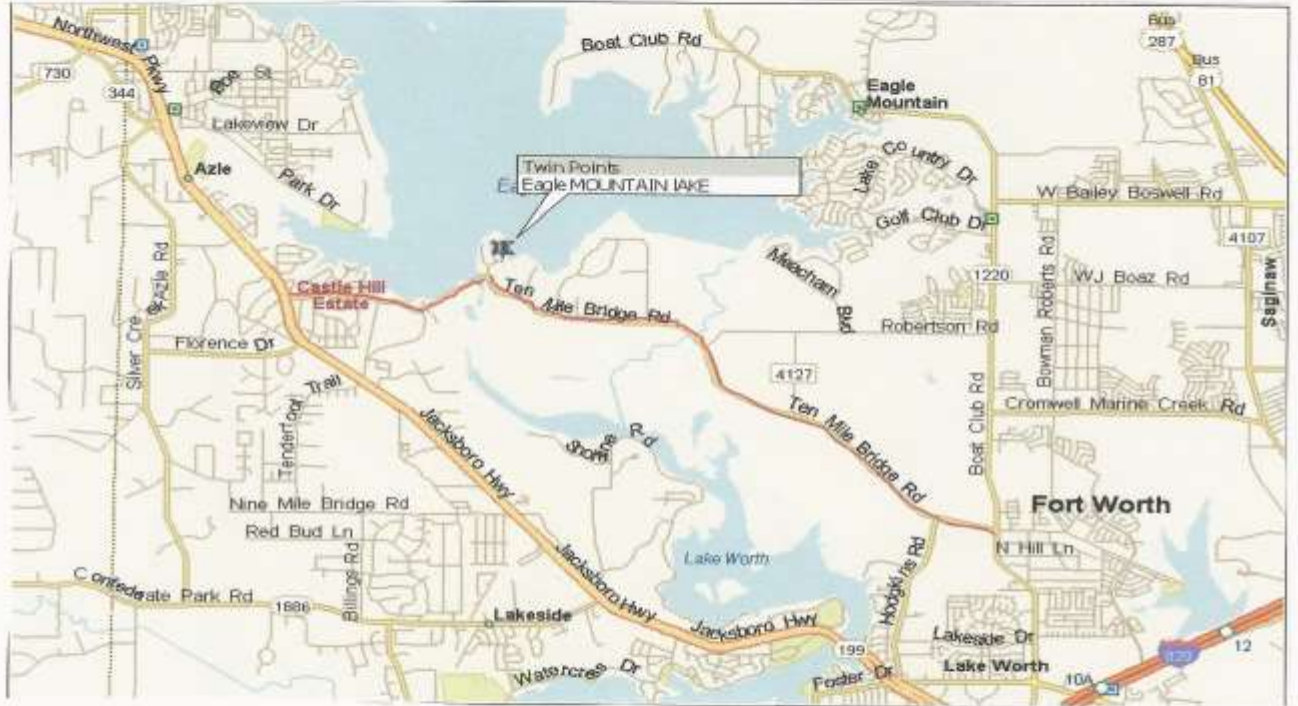

**Hershul Smith is our Tournament Director:**

- There will be no more bags for weigh in. It will now be conducted with the cork system. There will only be 15 available and you must have one to weigh in.
- Stay out of: NO BOAT AREAS; 1<sup>st</sup> time Warning; 2<sup>nd</sup> time disqualification.
- Running lights must be on until dawn. This violation is grounds for disqualification and a State law.
- You must be at least 50 from swim areas and cannot tie up to buoys.
- Please observe NO WAKE AREAS.
- Also, it helps to pay for the tournament well before weigh-in. At the meeting is ideal, but before the weigh-in starts cuts down on the mayhem during.
- If you pre-pay for a tournament at the meeting and find you cannot make the tournament, contact any club officer before 8:00 PM the Friday before fishing to carry over fees to the next tournament.
- If you leave the tournament early, either sign out at the mailbox or let someone know you are leaving.
- Weigh-in is at 3:30 PM unless changed. Make sure the tournament director or assistant knows you are on time, especially if there is a line to weigh fish.
- Rule #16: There is a 3 fish limit, unless lake rules demand less. Each contestant must bring no more than 3 fish to weigh-in. Fish shall be in weigh-in bags or containers with sufficient water to keep the fish in good condition until they are released. Failure to do so shall result in a 1 pound penalty

Two ways to get to Twin Points.

Go up Boat Club to Ten Mile Bridge Rd, then 5 miles to Twin Points on our right.

Take Jacksboro Hwy to Wells Burnett Road, go 1.8 miles and you will run into Twin Points

# Traders Corner

- **PerformX 9" bandsaw (same thing as a Sears) that comes with 4 blades (2 @ 3/16th" and 1 @ 3/8" and 1 @ 1/8"(new in box)). It also has a light and a laser guide built in. This saw is great for small projects. I used this for several years with my lure making, but just upgraded to a larger saw a few months back. I'm asking 75\$ for the everything. Contact Aaron McAlexander at 502-553-9916**
